TANYA MONESTIER,

Case No. 19-CV-00332-SRB

Hon. Stephen R. Bough

**OBJECTOR TANYA MONESTIER'S
MOTION TO INTERVENE**

Objector-Intervenor Tanya Monestier, proceeding *in pro per*, and for her Motion to Intervene, states as follows:

1. I move for this Court to permit my intervention as a party for the limited purpose of preserving appellate rights. The Court's orders on Wednesday November 25, 2024 denying my motion for reconsideration and striking my objection create legal ambiguity regarding my appellate standing that could delay resolution of my planned appeal with collateral litigation.

2. As I explain in the accompanying suggestions, I meet the standards for intervention under Fed. R. Civ. Proc. 24(a)(2), and appellate courts have reversed denials of intervention in similar circumstances.
3. I request that this Court make a ruling on the record on this motion for intervention, with detailed factual findings to permit *de novo* review.
4. I have followed the local rules promulgated by the District Court of the Western District of Missouri. I have done my best to comply with the rules as I understand them which require: a motion and a separate document with “suggestions” in support of the motion. The substantive motion is seven pages.

Dated: December 2, 2024.
